Grass Fed Superior Flavour Marble Score 4+

AMG's highly limited and exclusive Southern Ranges SR4 beef is selected from only genetically superior Angus and Hereford breeds, grazed in the rich, green pastures of Victoria. This region is internationally renowned for its ideal climate, and consistently producing high quality cattle.

We partner with select farmers who share our pride in being able to present Australia's finest beef to the world. Year-round we purchase naturally grass fed cattle which have no added antibiotics, to deliver a consistently excellent product.

With no added hormones, our marble score 4 beef is all-natural, 100% traceable and processed to meet our high standards at our state-of-the-art facility in Dandenong on the doorstep of the Gippsland region.

Our strict hand-selected grading system ensures the Southern Ranges SR4 brand boasts intense flavours, superior tenderness and eating quality, and a marble score rating usually found only in grain-fed beef. From pasture to plate, you can depend on AMG for the traditional goodness of Australia's best grass-fed beef.
